BOCHMANN SANITARY WARE

ONLY PRODUCE HIGH QUALITY FAUCET

20
YEARS
BOCH MANN

COMPANY PROFILE

BOCHMANN Sanitary Ware (China) Co., Ltd. is located in Binhai Industrial Zone of Wenzhou City, with more than 300 employees and 30000 square meters workshop, and will continue to expand production area in 2027. Equipped with the advanced complete set of production technology and equipment from Europe and Asia. With professional team management operation, it's an integrated enterprise specializing in sanitary ware research and development, production and export.

Our company's history dates back to 1979. It began as a family-run hardware factory founded by the founder, later transforming into a retail parts company. Under the second generation of the founders , it gradually developed into a manufacturer of finished bathroom fixtures and created the "chaoke" brand. After years of experience, the company has entered the high-end bathroom product market and registered the international brand "BOCHMANN".

Adhering to the rigorous International high-level style, the company attaches great importance to product reputation, strict quality control. The main products comply with CE, SASO,CUPC, DVGW, KTW, ACS, WaterMark and other international certification, in full accordance with the ISO9001: 2000 international quality system operation and production.

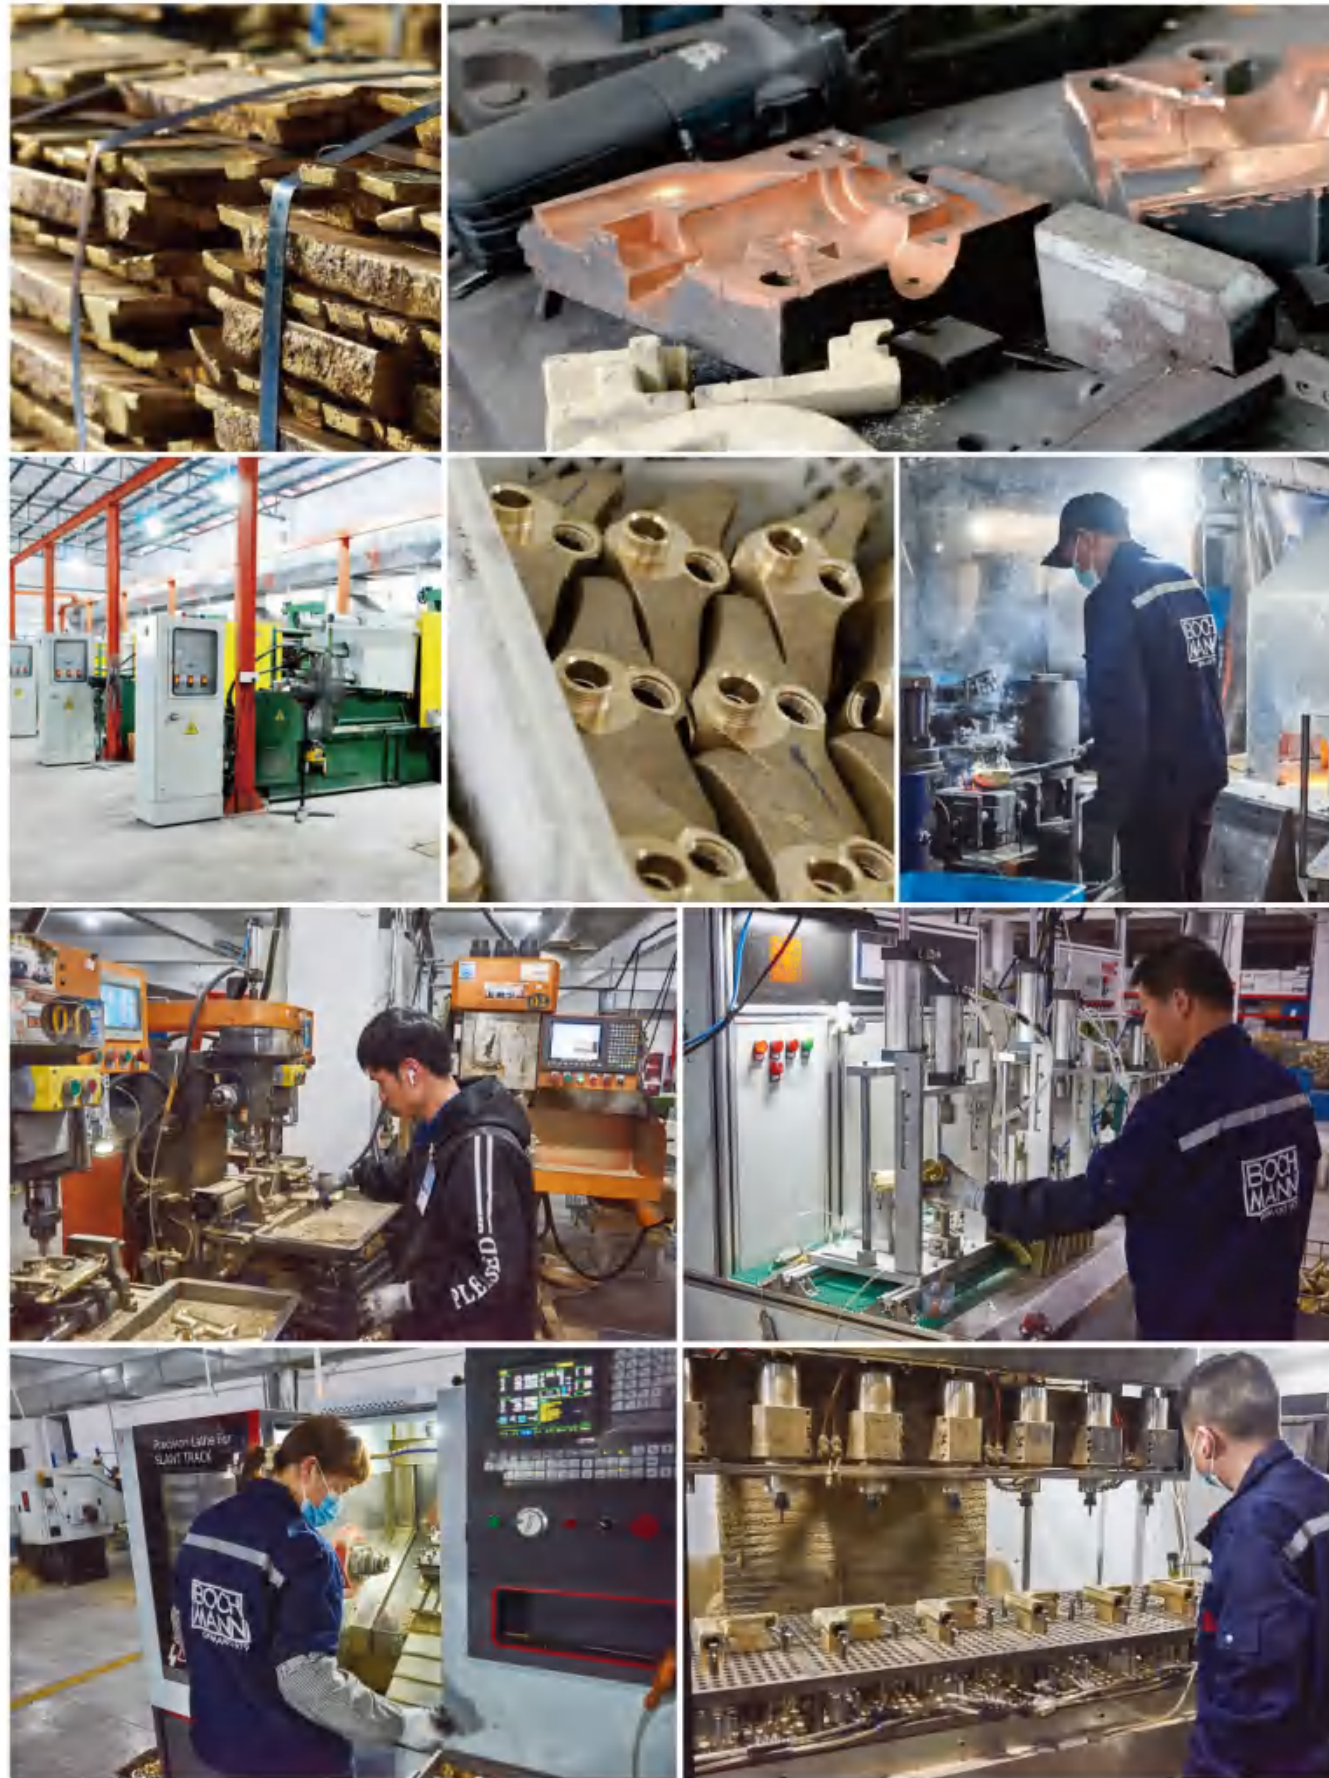

After years of accumulation and development, the company has now developed into a large group of enterprises, with more than 30 patents. It owns BOCHMANN, asdec, SOLbathroom, BRIXIA etc. 20 brand name. The products are exported to the United States, Canada, Brazil, Peru, Germany, Britain, Italy, Belgium, the Netherlands, Turkey, the United Arab Emirates, Saudi Arabia, Iran, Kuwait, Egypt, South Africa, Tanzania, Qatar, Bangladesh, Indonesia, Russia and other countries and regions, It is one of the Asia's largest and most professional bathroom wares manufacturers.

BOCHMANN Brand is committed to the top luxury bathroom products, excellent quality comes from every detail. The faucet main parts are from the world first class brand USA Neoperl, German fluhs, Italian STSR, Spain Tucai, Korean S. C. C etc. Top quality in sanitary industry field. Quality, technology, design and sustainability, these four brand value elements illustrate our commitment to creating extraordinary experiences. We adhere to the most stringent standards, and strive to make every time you open the faucet or under the shower, can get a unique and distinguished enjoyment.

In the year 2015 the company "BOCHMANN" brand products successfully settled in a number of five-star hotels and villas. From Beijing, Wuhan, Guangzhou, to Zhengzhou etc. Cities we honorably grew up to high grade hotels Qushui Lanting, Dalang Taosha designated suppliers. Top luxury bathroom products have been installed in five-star hotels in Bangkok Thailand, and Tanzania. We are on the way to create a global enterprise sanitary, bathroom fittings leader brand!

BOCHMANN makes life become more comfortable!

THE THOROUGHFARE TO SIMPLICITY IS SUMPTUOUS

There is a kind of reserve,
which exudes the inherent nobility and solemnity;
There is a kind of gorgeous,
continuing the incomparable romance and delicacy;
There is a style that
satisfies the aristocratic mood in everyone's bones.

YOUR FAVORITE WATER WAY

Integrating classic life concepts,
The superb technology contains the flavor of the times,
As beautiful as flowers,
As clear as water,
It's as bright as fire,
The persistence in my heart,
Just for the surprise of your dream come true.

Constantly pursuing and
researching the development
of science and technology,
From the ingenious design concept,
An open-minded and tolerant
attitude towards life,
Multi level is the only way to
show the diversity of life,
And the embellishment of the
dragon head,
Just to set off the home
owners of the open-minded and leisure.

The aesthetic feeling of urban design is simple and charming.
Adhering to the concept of simplicity,
after being simplified and processed,
only the necessary elements are retained.
The ideal collocation of the column design of the
dragon head is the unique feature of these designs,
showing the beauty of leisure and harmony.

researching the development
of science and technology,
From the ingenious design
concept,
An open-minded and tolerant
attitude towards life,
Multi level is the only way to
show the diversity of life.
And the embellishment of the
dragon head,
Just to set off the home
owners of the open-minded
and leisure.

researching the development
of science and technology,
From the ingenious design
concept,
An open-minded and tolerant
attitude towards life,
Multi level is the only way to
show the diversity of life.
And the embellishment of the
dragon head,
Just to set off the home
owners of the open-minded
and leisure.

FEATURES:

- AutoSensor:
360-Degree SurroundSensorWater Outlet, Three-Dimensional SensorWater Outlet Military-grade Smart Ship, Automatically Sensing Distance Adjustment, Strong Anti-Interference, Zero Accidental Water Discharge
- Water & Energy Saving:
Automatically adjusts the washing time according to the faucet usage frequency with remarkable water saving effect. Sensor powered by 4pcs NO.5 alkaline batteries, last 1.5 years for daily 200 times' use. (Note: The battery must be provided by a brand manufacturer, and the delivery time is less than half a year)
- Hygiene:
All rinsing will completed by the machine without manual operation, rinsing thoroughly, no odor left, and effectively avoiding bacterial cross-infection.
- Installation features:
Patented structure design, Easy installation
- Smart anti-odor:
When the faucet is in long term use, the flush valve will work once per day to prevent the water save in the bend, causing the odor.
